**REMOTE LEARNING WEEK 3**

This week we were able to analyse the results of our survey. Thank you to everyone who has completed it. It was great feedback for us to tweak what we are doing.

A few points to note:

- Your child's mental health is more important than any learning task. If it is turning into a bad day, modify or delete some of the activities ! Send us a message saying you did what you could and will try again tomorrow.
- Some find looking at the tasks all at once too overwhelming. We suggest you write a timetable so your child has a visual to check off what they've done.
- Keep contacting us for assistance. While this is hard on all of us, we are here to help!
- Connect with your friends to vent! You will feel much better for sharing your fears, anger, worries and struggles. Also share the good stuff too !!

**PFA/CLUSTER ACTIVITY**

Coming soon – an exciting Cluster Challenge so stay tuned for more information.

**ART THIS WEEK**

The teachers are LOVING the pictures coming in of the art activities this week ! Very creative everyone. Keep them coming so that we can have a photo page in the newsletter next week.

**TELSTRA DATA TOP UP**

Don't forget Telstra are offering a 25GB free data top up. You need to register for it. Just go to the Telstra 24/7 app and put in your mobile numbers and you will be notified in 24 hours that it is active. This is a second top up so even if you did it once, jump on there again.

## Anzac Day 2020

Anzac Day 2020 was unlike any other. For the first time in a century the streets were empty; there was no mid-morning marches instead people all around Australia united and recognised past and current armed services personnel by standing in their driveways or living rooms at 6:00am for a dawn service with a difference. If you have not already seen our School Captains Anzac Day video on our Facebook page please do so, their amazing speeches delivered with heartfelt sentiment should not be missed.

Lest We Forget!
