SRC – Fundraiser for Rochester Primary School

The SRC wanted to help schools that have been affected by the recent flooding. One such school is Rochester Primary, whose school (along with most of their student's homes) was completely inundated with flood waters. The SRC has decided to run a coin drive to raise money for them. Each classroom will have a special tub and students can bring along any spare change they have to go towards the cause. Every coin helps!! The tubs will remain in the rooms for all of November and students can add coins at any time. The SRC will also be selling icy poles for 50 cents, every Friday for the rest of term. All money from icy pole sales will also go towards their coin drive. So please support this worthy cause!

Week 6 has been a suprising one! Alot of our students that attend, didn't want to go outside due to the warm weather. Although we were able to have very relaxing days inside.

This week we; played board games, played hide n seek, played limbo, arts and crafts, learnt how to make chatterboxes and so many other fun and exciting activities.

After the Lunar Eclipse (Blood Moon), children have been very intrigued by planets. Following these discussions, next week we will be learning about the world.

For more inquiries about our service, don't be shy to come in during BSC and/or ASC or phone.
